Since 1957, Horvitz & Levy LLP has focused on providing expertise in civil appeals.

Today, we are the largest firm in California specializing in civil appellate litigation. Horvitz & Levy LLP has appeared more frequently in California appellate courts than any other private firm in the state. Since 1990, Horvitz & Levy has litigated more than 1,000 appeals, including more than 90 before the California Supreme Court.

We have an outstanding record of success in the California courts and in additional jurisdictions in which we have appeared as counsel of record, including Arizona, Colorado, Hawaii, Kentucky, Montana, Nevada, New Mexico, New York, Oklahoma, Oregon, Utah, Virginia, Washington, Guam, and the Second, Ninth, and Tenth Circuit Courts of Appeals. Our areas of practice include insurance coverage, insurance bad faith, healthcare, entertainment law, employer liability, toxic torts/product liability, legal malpractice, and punitive damages, as well as the evidentiary and procedural issues that arise in each of these areas.

Our services include consulting on trial strategy, assisting trial counsel in preserving issues for appellate review, assisting with or preparing post-trial motions in anticipation of appeal, negotiating settlements pending appeal, and full briefing and oral argument before all appellate courts. The firm's prestigious list of clients includes Fortune 500 companies, insurance carriers, healthcare providers, entertainment companies, government entities, public utilities, charitable organizations, universities, and business and professional trade organizations.
